Reindeer day- with Frostie the Snowman

What a wonderful autumn we've had. Days and days of gentle sunshine and stunning autumn colours. Sadly, that all came to an end on the eve of reindeer day- when heavy rain left us with a rather muddy, damp classroom in the woods. But despite the dampness, almost 100 children and their grown ups arrived at the classroom for some Christmas fun. They made up kits of the ever popular Rudolf and his new friend Frosty the Snowman.

wreaths made of holly and other decorative plants from Alison's garden, Christmas tree decorations- a fir cone Rudolf (with lots of sparkly bits), a bauble shape (with more sparkly bits) and a light in a jar decorated with lace.

After all the hard work we were treated to a feast- delicious soup cooked over the camp fire, hot dogs on the BBQ, mulled wine, mince pies and other Christmas goodies. It was great to see quite a few new faces too.

Thanks to all the volunteers on the day, the cooks, the crafters, the early birds who put up the canopies and lit the fire.

And lastly, thank you to the volunteers who gave a lot of their time preparing the kits, and the person who organised the whole day-Sue.
