WILD FLOWERS

Activity 1: Flower Hunt

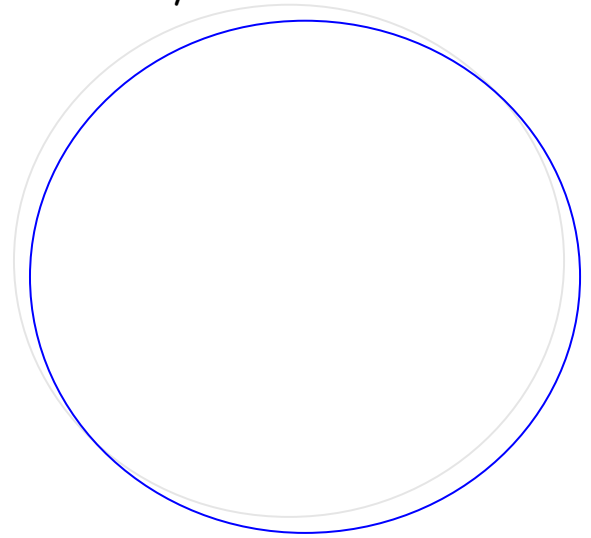

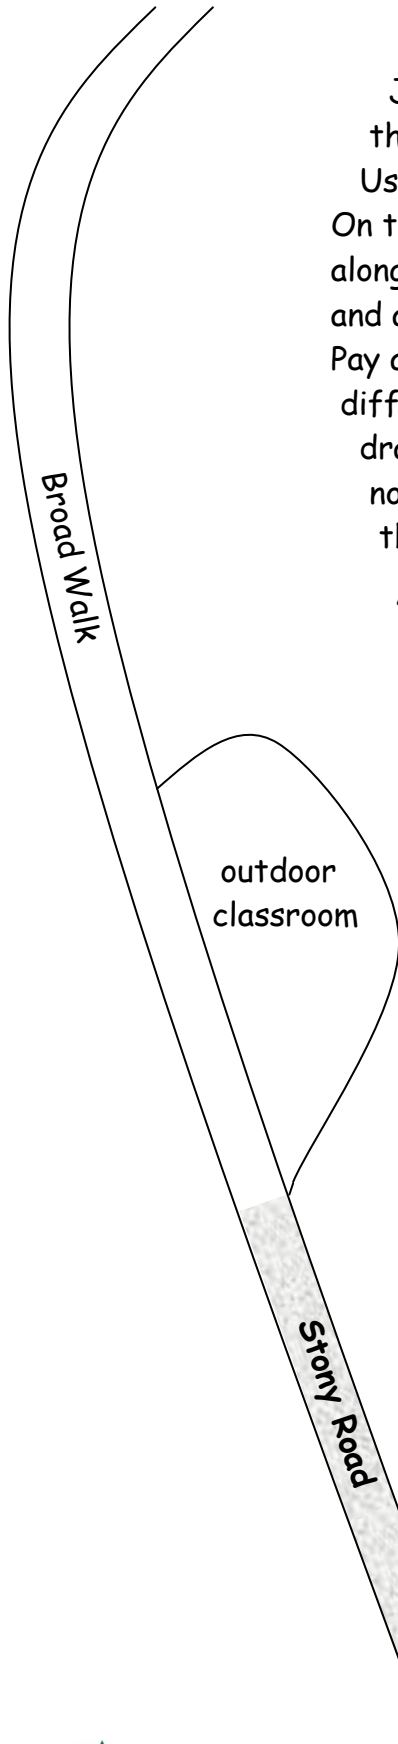

Just like a treasure hunt, you will be looking for the treasure of the woodland; the wildflowers!

Using the pictures on the back of this leaflet, mark On the map where you find each flower as you walk along the path. You can mark the map with the name and an 'X' or you can draw the flower itself.

Pay attention to anything interesting or different you might find and write it down or draw a picture. If you find any flowers that are not on the back of this leaflet draw or write about them too!

Activity 2: Your Treasured Flower

In this circle, draw the best flower you have seen today.

Why is this flower your favourite?

Thank you to all our dedicated volunteers, without whose help, the Penmoelallt Woodland Project would not have been possible.
